

FirstLine Road Solutions Partners with Ten West and Jack James to Expand Environmental Capabilities and Coverage in California

Phoenix, AZ – May 1, 2024

FirstLine Road Solutions (“FirstLine or the “Company”), a market leading road solutions provider, is pleased to announce two new transformative partnerships with Ten-West Road & Environmental Solutions (“Ten-West”) and Jack James Road Solutions (“Jack James”). These strategic collaborations advance FirstLine's mission to broaden its market presence and significantly expand its environmental capabilities.

Ten-West, headquartered in Bakersfield, California, is a distinguished provider of super heavy, heavy, and medium duty towing, recovery and transportation solutions. With six strategically located facilities that stretch from Los Angeles County to Fresno, CA, Ten West has developed a reputation as one of the most capable providers in Central California, a key freight corridor for fleets operating in California. In addition to providing towing and recovery services, Ten-West offers an industry leading set of environmental remediation solutions throughout the state. In partnership with FirstLine’s 50+ locations in the Western U.S., Ten-West Environmental will seek to expand its value-added capabilities across a coverage area consisting of five states.. “When presented with the opportunity to partner with FirstLine, it was an easy decision to make” remarks JR Cady, President of Ten-West.. “We have seen a tremendous opportunity with the expansion of our service offering into the environmental market and are excited to establish this as a differentiator for the FirstLine platform.”

Jack James, headquartered in Fremont, California, is a towing industry veteran with over six decades of experience. Operating from locations in Fremont, Hayward and Livermore, California, Jack James provides full-service solutions to its customer base throughout the East Bay Area. Their robust fleet and strategic locations will enhance FirstLine’s operational capabilities and capacity to deliver prompt, dependable services. Alain Morec, General Manager of Jack James said, “We are looking forward to teaming up with the reputable partners within the FirstLine platform, to serve customers on a larger, more professional scale.”

Both Jack James and Ten-West’s management teams will continue to lead their respective operations following the transactions.

About FirstLine Road Solutions:

FirstLine Road Solutions is actively building the industry-leading towing, transport, recovery, and environmental remediation organization by uniting top-tier providers across the Western United States. With a seamless regional presence, FirstLine offers comprehensive services to a diverse client base, including commercial fleet operators, municipalities, state highway patrols, property managers, and retail customers. Emphasizing expertise, safety, and customer-centric service, FirstLine has solidified its position as the employer and partner of choice, delivering timely, dependable, and stress-free solutions.
