

FirstLine Road Solutions Partners with Mountain Recovery to Expand into Colorado

Phoenix, AZ - July 28, 2025

FirstLine Road Solutions (“FirstLine or the “Company”), a market leading road solutions provider, is pleased to announce its partnership with Mountain Recovery. This strategic partnership expands FirstLine into Colorado and further strengthens its presence in the Rocky Mountain region.

Founded in 2019, Mountain Recovery, has established itself as the premier provider of towing, recovery, and transportation solutions. With four strategic locations, across Silverthorne, Copper Mountain, Vail, and Denver, Mountain Recovery services the entire 100-mile stretch of the I-70 corridor from Denver to Wolcott, CO.

“With connection points to Utah and Wyoming, this acquisition allows us to better service customers in the Western U.S. by adding a seventh state to the FirstLine platform and continues our strategy of acquiring quality operators in adjacent corridors to continually enhance our service offerings. This acquisition is another important piece in solidifying FirstLine as the Employer of Choice, Partner of Choice, and Acquirer of Choice in towing, transport, recovery, roadside assistance and environmental services, “said Tony G. Plut, CEO of FirstLine Road Solutions.

The current Mountain Recovery management team will continue to lead the operations of the Company.

About FirstLine Road Solutions:

FirstLine Road Solutions is actively building the industry-leading towing, transport, recovery, and environmental remediation organization by uniting top-tier providers across the Western United States. With a seamless regional presence, FirstLine offers comprehensive services to a diverse client base, including commercial fleet operators, municipalities, state highway patrols, property managers, and retail customers. Emphasizing expertise, safety, and customer-centric service, FirstLine has solidified its position as the employer, partner and acquirer of choice, delivering timely, dependable, and stress-free solutions.
