

FirstLine Road Solutions Partners with Prime Towing and Transport, Expanding Presence in the California Central Valley

Phoenix, AZ – November 14, 2025

FirstLine Road Solutions (“FirstLine or the “Company”), a market leading road solutions provider, is pleased to announce its partnership with Prime Towing and Transport (“Prime”).

Founded in 2009, Prime is an industry-recognized towing, recovery, and transportation provider. With two strategic locations in Tulare and Visalia, California, FirstLine gains access to Prime’s experienced management team and a diversified fleet capable of light, medium, heavy-duty towing, custom vehicle towing, heavy-duty recovery, and roadside assistance operations.

“Prime is another key acquisition for the FirstLine platform, further strengthening our service offerings to our customers in California and giving us full coverage across the entire California Central Valley. This acquisition exemplifies our commitment to bringing together best-in-class local operators to deliver seamless, end-to-end roadside solutions across the region,” said Tony G. Plut, CEO of FirstLine Road Solutions.

The current Prime management team will continue to lead the operations of the Company.

About FirstLine Road Solutions:

FirstLine Road Solutions is actively building the industry-leading towing, transport, recovery, and environmental remediation organization by uniting top-tier providers across the Western United States. With a seamless regional presence, FirstLine offers comprehensive services to a diverse client base, including commercial fleet operators, municipalities, state highway patrols, property managers, and retail customers. Emphasizing expertise, safety, and customer-centric service, FirstLine has solidified its position as the employer, partner and acquirer of choice, delivering timely, dependable, and stress-free solutions.
